## Definition of a Team

- Must be a well-organized<sup>1</sup> and reputable<sup>2</sup> educational (training) organization<sup>3</sup> for primarily high school or college age youth shooters.
- The team must have a competent<sup>4</sup> and responsible coach, instructor, or adult leader.
- Must always have two or more active youth shooters (we will not support an individual shooter).
- There must be intent and effort towards sustainability. The team is expected to grow and/or remain active into the foreseeable future through a perpetual life cycle<sup>5</sup> of youth shooters.

<sup>1</sup> Refer to the MidwayUSA Foundation's team organization guidelines available on the Foundation website.

<sup>2</sup> Aligned with the Purpose and Values of the MidwayUSA Foundation as published on the Foundation website.

<sup>3</sup> Competition is not a requirement. The team may be a non-competitive organization (e.g., Boy Scouts) providing a youth shooting sports program.

<sup>4</sup> Competent does not necessarily mean a highly skilled shooting instructor, rather someone leading the team through safe and reputable<sup>2</sup> instruction.

<sup>5</sup> The team cannot exist only to support specific youth shooters and/or for a limited period of time.
