Definition of a Team

- The team must have a competent\(^4\) and responsible coach, instructor, or adult leader.
- Must always have two or more active youth shooters (we will not support an individual shooter).
- There must be intent and effort towards sustainability. The team is expected to grow and/or remain active into the foreseeable future through a perpetual life cycle\(^5\) of youth shooters.

\(^1\) Refer to the MidwayUSA Foundation’s team organization guidelines available on the Foundation website.

\(^2\) Aligned with the Purpose and Values of the MidwayUSA Foundation as published on the Foundation website.

\(^3\) Competition is not a requirement. The team may be a non-competitive organization (e.g., Boy Scouts) providing a youth shooting sports program.

\(^4\) Competent does not necessarily mean a highly skilled shooting instructor, rather someone leading the team through safe and reputable\(^2\) instruction.

\(^5\) The team cannot exist only to support specific youth shooters and/or for a limited period of time.
