

2020 Team Endowment Matching Program

1. MidwayUSA Foundation will provide matching funds in 2020 for donations to Team Endowment Accounts. Matching is based on a monthly matching pool. The match each team endowment receives depends on the match ratio for that month.
 - 1.1. Matching is available for donations received between January 1, 2020 and December 31, 2020 for Team Endowment Accounts.
 - 1.2. Monthly matching pools are as follows:
 - a) January \$150,000
 - b) February \$150,000
 - c) March \$150,000
 - d) April \$175,000 *Increased for Online Donation Drive*
 - e) May \$150,000
 - f) June \$150,000
 - g) July \$150,000
 - h) August \$150,000
 - i) September \$175,000 *Increased for Online Donation Drive*
 - j) October \$150,000
 - k) November \$150,000
 - l) December \$150,000
 - 1.3. The monthly matching ratio is determined by dividing total monthly match eligible donations by the monthly pool amount. For example, if the total monthly match eligible donations in March are \$180,000, then the match ratio is $\$150,000$ (pool) / $\$180,000$ (donations) = 0.833 match. Therefore, a \$100 donation in March would receive \$83.30 of match.
2. Donations must be match-eligible to receive a match from the MidwayUSA Foundation.
 - 2.1. MidwayUSA Foundation has sole discretion on determining what is match eligible and may change that determination at any time and for any reason. If you have a question about whether or not a donation is match eligible, please contact the [MidwayUSA Foundation](#).
 - 2.2. In general, a donation generated by team fundraising activity is match-eligible. Some examples are, but not limited to, online donations, peer-to-peer donations, and fundraising product donations.
 - 2.3. Most matching donations from MidwayUSA Foundation partner organizations are not match eligible.
 - 2.4. No minimum donation amount is required to qualify for a match.
3. The MidwayUSA Foundation Team Endowment Matching Program may change at any time and for any reason. Check the [MidwayUSA Foundation website](#) for the most current program information.
