This resource page reviews the process of donating online so that you can educate your friends, family, and community on how to donate to your shooting team. This page will go over how to get to the donations page, and directions on how to search for a specific team.

Home Page: The process of donating online begins with going to MidwayUSAfoundation.org. Once on the home page there are two easy ways to get straight to donating. You can either select the "Find a Team. Fund a Team" button or "Donate" button on our homepage. The graphic to the right has both options circled in Yellow.

Donation Page: When you arrive on the donation page, search for your specific team. Begin your search by filling the fields circled in Blue, with team information. If you are donating directly to a team enter their team name or team ID. If you don't know all the information, it's okay. With every field you fill, the search will update at the bottom of the web page in the Green circled area. For example, if you are looking for a shooting team in a certain city enter that city's name in the "City" field. Then choose from the list of teams found in that city at the bottom of the web page.

When your team appears select it.
