

2021 Monthly Rockstar

1. The MidwayUSA Foundation Team Endowment Account that receives the most Foundation match-eligible donation dollars during each month of 2021 will qualify to win a team endowment award.
 - 1.1. This is a monthly incentive beginning January 1, 2021 and ending December 31, 2021 (12 months).
 - 1.2. The shooting team with the most match-eligible donation dollars received during a given month will qualify to receive exclusive deliverables or promotions decided by the MidwayUSA Foundation.
 - a) Deliverables can include but aren't limited to: 10 College Shooting Sports Recruiting profiles, Endowment dollars, products grants, etc.
 - b) The winning team must complete a testimonial to receive the award.
 - c) To complete the testimonial, the team must send the MidwayUSA Foundation picture(s) of their team with the answers to questions provided by the MidwayUSA Foundation Marketing Department.
 - d) If a tie occurs for most donation dollars received, the tie-breaker will be the team endowment having the most 'donors' associated with their donation total for the month.
 - 1.3. Team Endowment Accounts can only win this incentive once per calendar year.
 - a) If a previous winner receives the most donation dollars in a month, the prize will then be awarded to the second-place team endowment and so on.
 - 1.4. All match eligible donations qualify. There is no minimum donation requirement.
 - 1.5. MidwayUSA Foundation and partner organization matching funds and incentive award donations do not qualify. Only match eligible donations qualify.
 - 1.6. Prizes will be determined by MidwayUSA Foundation staff in varying forms; see section 1.2(a). No cash will be awarded.
2. The winning Team Endowment Account will be notified in the following month (i.e., the team that receives the most match-eligible donation dollars in January will be notified in February).
