

2022 Donor-Advised Fund Matching Program

1. MidwayUSA Foundation will provide matching funds in 2022 for donations to Donor-Advised Funds (DAF). Matching is based on an annual matching pool.
 - 1.1. All Donor-Advised Funds (DAF) qualify for this matching pool.
 - 1.2. The pool has \$100,000 available in matching funds.
 - 1.3. The maximum matching ratio a fund can receive from this pool is 1:1.
 - a) The matching ratio is determined by dividing the total match-eligible donations received in 2022 by the matching pool amount. For example, if the DAF match-eligible donations in 2022 total \$120,000, then the match ratio is $\$100,000 \text{ (pool)} / \$120,000 \text{ (donations)} = 0.833$ match. Therefore, a \$100 donation in 2022 would receive a match of \$83.30.
2. Contributions must be received between January 1, 2022, and December 31, 2022, and must be match-eligible to obtain a match from the MidwayUSA Foundation.
 - 2.1. MidwayUSA Foundation has sole discretion on determining what is match-eligible and may change that determination at any time and for any reason. If you have a question about whether or not a donation is match eligible, please contact the [MidwayUSA Foundation](#).
 - 2.2. In general, a contribution generated by fundraising activity is match eligible. Some examples are, but are not limited to, online donations from supporters, Foundation online auction contributions, and fundraising product donations.
 - 2.3. No minimum donation amount is required to qualify for a match.
