

CHANGING THE FUTURE OF
YOUTH SHOOTING SPORTS

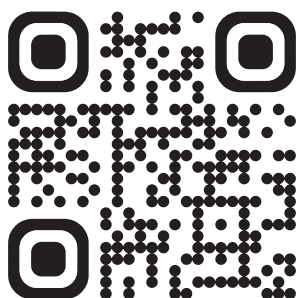

PROTECT IT OR LOSE IT.™

For over 25 years Walker's has developed innovative solutions to provide ear protection for shooting, hunting, and commercial applications. Walker's line of products is proud to support youth shooting with the best hearing protection available. With the introduction of advanced digital circuitry & nano tech water repellence, Walker's continues to raise the bar and provide the best shooting hearing protection.

- High-quality hearing protection solution designed to reduce noise levels and protect your hearing in noisy environments.
- Walker's are adjustable to fit a wide range of head sizes, and are ideal for use in shooting ranges, construction sites, or any other loud setting where hearing protection is required.
- From Bluetooth Ear Buds to Gel Cooling Ear Muffs and Glasses to Plugs, we've got you covered for all your shooting applications.
- Walker's is a top-performing hearing protection solution with a high demand in the market.
