**5th
Annual**

Day of Clays MN is a 100-target sporting clays tournament benefiting youth shooting teams in and around Minnesota. Every donation to a team is matched 1:1 by MidwayUSA Foundation.

THANK YOU FOR SUPPORTING LOCAL YOUTH SHOOTING TEAMS!

Real Impact in Our Communities

Annual grants from MidwayUSA Foundation ensure that thousands of young athletes with an interest in shooting sports, whether shotgun, rifle, or pistol, don't have funding as a barrier to the sport. To date, MidwayUSA Foundation has provided over \$4.3 million in cash grants to Minnesota youth shooting sports. Your donation(s) at this event increases a team's annual cash grant to assist with purchasing ammo, targets, entry fees, and safety equipment.

MidwayUSA Foundation funds approximately 2,600 youth shooting teams across the United States, including 210 in Minnesota!

Every team donation is matched & provides funding for the life of the shooting team.

Every contribution builds a team's endowment, and that means a larger annual cash grant. A larger grant can provide the team with more ammunition to increase practice rounds. It can provide funds to help the team travel to a competition. These grant funds may even take the financial burden off a family, giving a new kid the chance to be on the team!

**CHANGING THE FUTURE OF
YOUTH SHOOTING SPORTS**

The MidwayUSA Foundation is a 501(c)(3) public charity working to sustain and grow youth shooting sports by providing long-term funding to youth shooting teams through annual cash grants. Every donation made is tax-deductible and allows the Foundation to assist in expanding and enhancing the leadership skills, confidence, and discipline of today's youth through shooting sports activities.

We support all shooting disciplines and you can help make an impact by donating to the team endowment, organizational endowment, or special purpose program of your choice. 100% of your donation benefits that endowment and your donation may qualify for a match through our current Matching Program.
